

LIBERTY UNDERMOUNT SINKS
DOUBLE BOWL

PRODUCT CODE: BL795

The Liberty range of Undermount or Inset Sinks feature 1.2mm 304 Grade Stainless Steel material with a Matte finish. Each sink comes complete with fixing clips (if required) and basket wastes.

With radius of R10/R15 - the corners look very crisp but are easy to clean. An optional drainer is available to provide a really practical advantage to your new sinks for cleaning of tableware or food washing.
