

AUGUSTINE GLASS SHELF

PRODUCT CODE: AR1003

The Augustine Range is a classic contemporary range from Linkware borne from a proud family heritage, with the Augustine name handed down across many generations. It exemplifies a timeless appeal with an acknowledgement to the past, as well as adding a modern elegance to your home.

Quality materials and designs come from the strong family values that belong to Linkware. Classic contemporary describes a style that blends traditional or classic elements with contemporary or modern design aesthetics. It combines timeless, classical features with more current or up-to-date design elements, creating a balanced and sophisticated look that feels both timeless and current.
